

Dear Year 3 and 4 Parents/Carers,

Welcome to the first Trust newsletter outlining the activities that we expect your child to complete from the week beginning Monday 1st June. Eventually, all of this learning will be on our new online learning platform but whilst this is being set up, here are some independent activities for your child to complete. We have split these up into each day as this will eventually be the format on our new website.

These activities should provide up to 3 hours of work for your child every day. On top of this, they are encouraged to take part in the daily Joe Wickes workouts. These are found on his YouTube channel here:

<https://www.youtube.com/user/thebodycoach1>

We also encourage your children to read for at least 15 minutes a day. Your child may have access to Accelerated Reader, so we would encourage your child to quiz as much as possible. Your child may also have access to Oxford Owl, where they can read free books online.

We will also be setting spellings every week, please ensure that your child is practising these. Please see the attached sheet at the bottom of the page.

We are aware that some children currently have access to class sites such as Class Dojo, as teachers begin to go back to school, the communication will become more difficult so please be mindful of this. We are planning to launch a new way to communicate in the upcoming weeks.

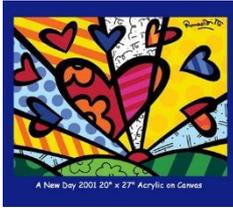

Thank you as always for your continued support.

The Year 3 and 4 Team.

Monday 1/6/20										
<p>English</p> <p>Your job today is to research the seasonal fruits of the UK.</p> <p>Research as many fruits as you can and group them into which season they grow in.</p> <p>Which fruit is your favourite? Have you got any interesting facts about these fruits? Could you make a Top Trumps game with fact cards?</p> 	<p>Maths</p> <p>Today, you are going to do some estimating and measuring around the house!</p> <p>You need to grab a ruler (if you do not have one, any item will do, for example a remote control).</p> <ol style="list-style-type: none"> 1) Choose 10 items from your house 2) Estimate the length of these (35cm OR 2 and a half remote controls) 3) Measure them! 4) Record your findings. <p>Could you find the difference between your estimations and the real measurements?E.g.</p> <table border="1" style="width: 100%; border-collapse: collapse;"> <thead> <tr> <th style="width: 25%;">object</th> <th style="width: 25%;">estimate</th> <th style="width: 25%;">measurement</th> <th style="width: 25%;">difference</th> </tr> </thead> <tbody> <tr> <td>My shoe</td> <td>15cms</td> <td>12cms</td> <td>3cms</td> </tr> </tbody> </table>	object	estimate	measurement	difference	My shoe	15cms	12cms	3cms	<p>Other</p> <p>Be an internet legend and click on this link, play the games to play safe online.</p> <p>https://beinternetlegends.withgoogle.com/en_uk/interland</p> 
object	estimate	measurement	difference							
My shoe	15cms	12cms	3cms							

Tuesday 2/6/20		
<p>English You need to create your own mythical animal. It could be an animal adapted to the cold. Here's a link to give you some ideas. https://www.bbc.co.uk/teach/class-clips-video/animals-adapting-to-cold-climates-no-narration/z4j3kmn</p> <p>It could be two animals merged together. Your task is to create a drawing, label it and make notes in a mind map about:</p> <ul style="list-style-type: none"> - Where it lives - What it eats - How it survives alone - What it looks like - How long it lives for - Any other interesting information 	<p>Maths Log on to your online maths platform. This could be something like Maths Whizz or TT Rockstars. Please complete 1 hour online. You could also log onto BBC Bitesize and complete an activity from there. https://www.bbc.co.uk/bitesize/levels/zbr9wmn</p> 	<p>Other You are going to be researching the wonderful continent of South America. Your task today is to choose 1 of these countries and start your research. You could find out:</p> <ul style="list-style-type: none"> - Population - Flag - Languages spoken - Any significant landmarks found there - Animals found in that country - Other countries or bodies of water that it borders - Any other amazing information. <p>Here are some example websites: https://www.kids-world-travel-guide.com/south-america-facts.html https://www.ducksters.com/geography/south-america.php</p>

Wednesday 3/6/20		
<p>English Now you've created your new animal. We would like you to write a small description about it. Remember to include lots of description (expanded noun phrases, prepositional phrases) and remember the basic punctuation. Here is a small example.</p> <p><i>Here is the elusive, unique wolfdeer. This amazing animal lives in solitary and is very rarely spotted in the wild. Almost unbelievably, the magnificent wolfdeer can live up to 25 years in the Arctic forests.</i></p>	<p>Maths Today, we want you to log on to this website: https://youtu.be/vNgr9G3gZhg</p> <p>You can also access this on: http://www.iseemaths.com/lessons34/</p> <p>Please complete the Broken Clock challenge!</p>	<p>Other Now you've collected your research for your country. Can you create a really eye-catching poster/PowerPoint or fact file?</p> <p>Include all of your amazing information.</p> 

Thursday 4/6/20		
<p>English Instructions! Imagine that an alien has landed in your kitchen. He sees you making a sandwich and wants to make one himself. You need to write down the exact instructions that he needs to follow. Make sure you use direct language.</p> <p>Here's a small example.</p> <p><i>Firstly, and most importantly, you need to gather your ingredients and tools. You will need two pieces of bread, butter, a filling of your choice, a knife and a plate.</i></p> <p><i>Once you've gathered these, place the two slices on bread on the plate.</i></p>	<p>Maths Today, we are going to look at time differences in South America and the UK.</p> <p>Your task is to create a table and compare different South American countries to the UK. For example: If it's 09:00 in the UK, what time is it in Peru? 03:00 in Peru (- 6 hours)</p> <p>You can use this website to help: https://www.timeanddate.com/worldclock/converter.html?iso=20200521T120000&p1=136&p2=tz_pet</p> <p>Challenge – find/draw some clock faces and write down the 2 times.</p>	<p>Other We are going to look at the art of Brazilian artist, Romero Britto.</p> <p>Watch this clip and create some amazing art work!</p> <p>https://www.youtube.com/watch?v=CxwJl1u16I</p> 

Friday 5/6/20

English

Now you've had some practise with writing instructions. You need to write down some instructions all about a typical school day (at school, not at home!).

The alien needs to know what to do first thing in the morning before school, how to get to school and what to do at school.

Maths

Please have a go at this NRich maths activity: **Dotty Six**.

<https://nrich.maths.org/7337>

Can you play this game again with a different total in each box? Or you could change the shape of the grid (triangles rather than squares perhaps).

Other

Do something kind for someone (fill someone's bucket!)

You could:

- Do some chores
- Draw a picture for someone
- Sing a song for someone
- Write a letter/record a video to your Grandparents

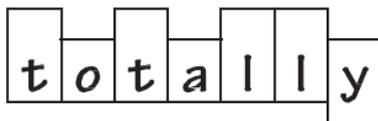

Spellings for the week

Here are 6 spellings for you to practise.

Practise means you know the definitions and you can use them within a sentence.

Why not try: drawing round the letter, drawing an image around and in the word, words without vowels, pyramid words, look/say/cover/write/check:

accident
actual
address
answer
appear
arrive

f _____ ld

- Look 
- Say 
- Cover 
- Write 
- Check 

p
py
pyr
pyra
pyram
pyrami
pyramid
